

Bekaert

12.5g High Tensile Smooth Wire

Are you looking to get what you pay for when you buy smooth wire?

Make the most of your investment with Bekaert Smooth Wire.

Don't risk your money and efforts on a coil that may be short in length, thin in wire diameter, or light in zinc coating. Bekaert coils are manufactured to specification - We guarantee it.

If you want to install 170 KPSI electric fence or need a strong 200 KPSI smooth wire for fencing or braces, Bekaert is your best choices.

The Class 3 (heavy coat) galvanization is the best you can buy and gives you the longest life available.

Bekaert Coils

Part Number	Tensile Strength	Length	Weight	Finish
118128	170 KPSI	4,000'	105 lbs	Class 3
