

Bekaert 14g Fixed Knot Exclusion Fence

Are you looking to stop the deer invasion on you property?

Look no further than Bekaert's new Fixed Knot Exclusion Fence.

Our new 90 inch Fixed Knot Exclusion Fence is tall enough to keep the most determined buck out of your orchard, vineyard, or garden - But it's lightweight for easier installation.

This product is an ideal replacement for double stack or tall hinge joint exclusion fences. Our design and use of solid vertical stay wires provides the additional strength you need – with virtually no maintenance.

Plus our Class 3 (heavy coat) galvanization will ensure long life versus Class 1 or commercial coated fence.

Once you learn more about Bekaert's Fixed Knot Exclusion Fence we know you'll want to...

Build a better longer lasting fence with Bekaert.

Advantages:

- Longer Life
- High Strength
- High Tensile Wire
- Fewer Posts and Less Maintenance
- Class 3 Galvanized
- Fixed Knot Design
- Solid Vertical Stay Wire
