## Barbed Wire

Are you looking for a barbed wire that's as strong as 12.5 gauge low carbon – but is lightweight, lasts longer, and requires less maintenance? And is also less expensive?

Find what you're looking for with Gaucho 15.5g Barbed Wire.

Gaucho is made of high tensile steel wire. This means we can use a smaller diameter wire while maintaining the same strength as conventional barbed wire.

Our reverse twist design reduces sagging, eliminates the need for pre-stretching, and allows for increased post spacing. All of which will save you time, money, and maintenance headaches.

And Gaucho products come in Class 3 (heavy coat) galvanized. Class 3 is proven to last two to three times longer than Class 1.

Or you can choose Gaucho Barbed Wire with Bezinol + Paint. This advanced coating gives a great green finish. Plus it lasts four to six times longer than Class 1 coating.

Part Number	Fence Design	Barb Spacing	Barb Diameter	Barb Type	Line Wire Diameter	Reel Length	Reel Weight	Finish
118290	2-Point	5"	13.75g	flat	15.5g	1320'	41 lbs	Class 3
118293	4-Point	5"	16.5g	round	15.5g	1320'	42 lbs	Class 3
118352	4-Point	3"	16.5g	round	15.5g	1320'	51 lbs	Class 3
136001	2-Point	5"	13.75g	flat	15.5g	1320'	41 lbs	Green
127139	4-Point	5"	16.5g	round	15.5g	1320'	42 lbs	Green
